## Numbers and the Number System - National Curriculum 2014

| Foundation Stage | Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Say which number is one more or one less than a given number | Count to and across 100, forwards and backwards, beginning with 0 or 1 , or from any given number <br> Count, read and write numbers to 100 in numerals; count in multiples of twos, fives and tens | Count in steps of 2,3 , and 5 from 0 , and in tens from any number, forward and backward | Count from 0 in multiples of 4, 8,50 and 100 ; find 10 or 100 more or less than a given number | Count backwards through zero to include negative numbers <br> Count in multiples of 6, 7, 9, 25 and 1000 | Interpret negative numbers in context, count forwards and backwards with positive and negative whole numbers, including through zero <br> Count forwards or backwards in steps of powers of 10 for any given number up to 1000 000 | Use negative numbers in context, and calculate intervals across zero |
|  | Given a number, identify one more and one less | Add or subtract 1 or 10 or 100 is in addition and subtraction | Add or subtract 1, 10 or 100 is in addition and subtraction | Find 1000 more or less than a given number |  |  |
|  | Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least | Identify, represent and estimate numbers using different representations, including the number line <br> compare and order numbers from 0 up to 100; use <, > and $=$ signs | Identify, represent and estimate numbers using different representations <br> Compare and order numbers up to 1000 | Identify, represent and estimate numbers using different representations <br> Order and compare numbers beyond 1000 |  |  |
| They solve problems | Read and write numbers from 1 to 20 in numerals and words. | Read and write numbers to at least 100 in numerals and in words | Read and write numbers up to 1000 in numerals and in words |  |  |  |
|  |  | Recognise the place value of each digit in a two-digit number (tens, ones) | Recognise the place value of each digit in a three-digit number (hundreds, tens, ones) | Recognise the place value of each digit in a four-digit number (thousands, hundreds, tens, and ones) | Read, write, order and compare numbers to at least 1 000000 and determine the value of each digit | Read, write, order and compare numbers up to 10 000000 and determine the value of each digit |
|  |  |  |  | Round any number to the nearest 10, 100 or 1000 | Round any number up to 1 000000 to the nearest 10,100 , 1000, 10000 and 100000 | Round any whole number to a required degree of accuracy |
|  |  | Use place value and number facts to solve problems. | Solve number problems and practical problems involving these ideas. | Solve number and practical problems that involve all of the above and with increasingly large positive numbers | Solve number problems and practical problems that involve all of the above | Solve number and practical problems that involve all of the above. |
|  |  |  |  | Read Roman numerals to 100 (I to C) and know that over time, the numeral system changed to include the concept of zero and place value. | Read Roman numerals to 1000 (M) and recognise years written in Roman numerals |  |

## Counting

Quantity value of digits

Adding or subtracting 1,10,
